Serial No. 36

No A&C 85-26 & 27/1/28 & 7/2/28 from the Pres: Distt Bd Hassan requesting early administrative sanction to the estimate for the opening of a road from Salagame to Halebid and suggesting that tools & plants charges may be waived fully in the case.

Subd -/. The estimate amounts Rs 31930/-

2. The Distt Bd was required to contribute Rs 3000/- for the Estt charges on the work as Govt learnt from the tenor of the President's letter No TD 154-27 & 10.9.27 that the Bd was agreeable to invest that sum on the Estt charges for opening the Road

3 In his letter of the 27th Jan: the Pres: says that these charges may be fully waived on the ground that the execution of the work will have no speciality over, but will be one along with the other works under the supervision of the P.W.D. authorities, the execution of the work being very near the Hd Quarters. Whether this reason is enough to waive the Estt & Tools & Plant charges is for consideration -

4) There is however one aspect of the case which has to be taken [illegible]

on this connection. In his note No 4541 X
of 12/3/27 the Supdg Engr Shimoga Circle
was for Govt contributing a half of the
cost of the work as the road connects the
Wadi HQ quarters with an important
historic place like Halebid; & he
recommended that this contribution
may be met out of Malnad Dupt funds
on the ground that it opens out ~~a portion~~
of the Malnad area of the Belur Tq.—
5) Govt directed that as only 5 miles of this
road comes under Malnad Dupt only Rs 10,
need be sanctd
6) The Chief Engineer is not against fully
waiving his Estt & Tools & Plant charges.
He has left it for the orders of
Govt.

asked for

promised to waive Rs 1865. On the
ground that the Dy was proposed
to entertain establishment etc at a

The estimate practically amounts to Rs 3,2000. Govt have Contributed Rs 10000/- plus Rs 1875- (Value of Plant & Charges) of the present report to Govt. Govt would have Contributed the works Rs 14875. or Rs 15000 roughly which Comes nearly to half the estimate.

Returned with compliments,

The reasons put forth for waiving the establishment charges in this case by the - - President District Board, would, if accepted, apply to all works undertaken by the Public works Department on behalf of the District Board, and it may be difficult to refuse similar concession for works of other District Boards, once a precedent is created.

If the present case however is to be treated as a very special one, Government may approve the waiving with the concurrence of the Financial Secretary.

Sir,

With reference to your letter No.L.4055/L.B. 37-26-35 dated 27th January 1928, intimating that Government regret their inability to make a larger grant than Rs 10.000 from the Malnad Improvement budget and that Government are prepared to waive establishment tools and plant charges less the sum of Rs 3,000 which the District Board is prepared to spend for the entertainment of the temporary staff for the execution of the opening of the road from Salgame to Halebid etc., I have the honor to state that the Executive Engineer, Hassan, has this day been addressed to put the work in hand at once in pursuance of your letter No.L.7413/L.B. 37-26-28 dated 14th April 27, the cost being met for the present out of the provision of Rs 10,000 made for this purpose under B.P.W. in the budget estimates of this District Board for the current year, since the close of the official year is fast approaching and as the work has to be completed during the coming rainy season.
